

Resolution 1953-02

The City Manager further announced that based upon the information published by the Municipal Technical Advisory Service, of which the City of Belle Meade is a member and subscriber, the amount of gasoline tax to be rebated to the State of Tennessee in the year commencing July 1, 1953 would amount to approximately \$14,600.00, based upon the City's population of approximately 2,800 persons. The City Manager further announced that, in view of the changes in anticipated income and certain other changes in expenditures, it would be in order at this time for the Board of Commissioners to consider a suggested disbursing schedule for 1953 to take the place of the one previously approved at the meeting held February 5, 1953. After consideration, and upon motion duly made, seconded and voted upon, it was

RESOLVED, that the proposed disbursement schedule for the year 1953 as this day presented to the Board, be and is hereby in all things approved, and will be followed by the Board of Commissioners in the conduct of the business of the City of Belle Meade, in the place and stead of the proposed disbursement schedule approved at the meeting of the Board of Commissioners of February 5, 1953.

The Mayor then directed that the disbursing schedule be spread upon the minutes of the meeting.
