MEMORANDUM

TO: Chief Fiscal Officers of Political Subdivisions

FROM: John Holloway, Supervisor of Counseling

SUBJECT: Continuance of 3.6% Indexing for Noncontributory Employers

DATE: June 23, 1997

Public Chapter Number 63, Acts of 1997 has been enacted which amends Tennessee Code Annotated Section 8-34-101 (4)(B)(i) to extend the 3.6% indexing feature for those noncontributory employers in the Tennessee Consolidated Retirement System (TCRS).

Effective July 1, 1981, the state of Tennessee elected to provide a noncontributory retirement plan for its employees. In addition, the law provided that political subdivisions could elect, by passage of a resolution, to provide a noncontributory plan. Your political subdivision elected this provision. One aspect of the provision was the indexing of salaries used to calculate the member's average final compensation (AFC) at retirement. The law stated that any salaries used in the AFC that were paid between the date the political subdivision adopted noncontributory and June 30, 1991 would be indexed or increased by 3.6%.

The recent amendment enacted by the General Assembly simply extends indexing to June 30, 1998. The indexing only applies to those employees who were members on the date your political subdivision became noncontributory. If your political subdivision would like to take advantage of this optional provision, the enclosed resolution should be passed by your governing body. The resolution will apply to all of your departments.

Our actuary has estimated that the increased cost will be approximately .01% of covered payroll. Since this is such a small increase, the TCRS will not adjust your current employer contribution rate. The additional liability will be included in the next biennial valuation, effective July 1, 1998.
