

Resolution 2006-02

The last matter was consideration of a Resolution honoring Dr. David C. George, retiring Pastor of Immanuel Baptist Church. Vice Mayor Corcoran said he would not read the Resolution aloud, but commented that Dr. George has obviously performed great services for the Church. Vice Mayor Corcoran moved approval of the Resolution and Commissioner Landstreet seconded the motion. Upon vote, the motion was approved.

There being no further business to come before the meeting, it thereupon adjourned.
