

Resolution 1959-01

The Mayor announced that the engineering partnership of Barge, Sumner and Waggoner specialized in sanitary and drainage engineering, and that Mr. Billy T. Sumner, a member of that firm, had been recommended for employment as City Sanitary Engineer by Mr. Francis B. Warfield, for many years active in the affairs of the City of Belle Meade, and a licensed engineer. Following discussion, upon motion of Mr. Teas, seconded by Mr. Hale and voted upon it was unanimously

RESOLVED, That Billy T. Sumner be and is hereby designated City Sanitary Engineer, pursuant to the provisions of Ordinance No. 58-4, and the City shall pay Mr. Sumner an annual retainer of \$100.00 plus fees for his services as may be required by the City.
