

Resolution 1980-02

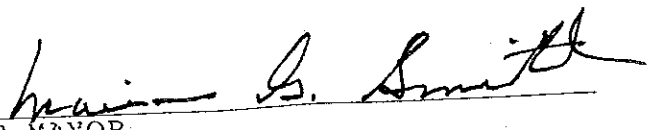

WHEREAS, the Board of Commissioners met on July 24, 1980 to discuss the proposed alternatives for providing sewer service to the residents of Belle Meade; and

WHEREAS, the Commissioners concur that on-site disposal systems have proved to be an inadequate means of sewage disposal; and

WHEREAS, the Commissioners do concur that an off-site disposal system must be provided to abate surface and underground water pollution as well as minimize health risks.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners that they formally adopt the 201 Facilities Plan, Summary Supplement to the 201 Facilities Plan for Wastewater Collection and Treatment Systems in the Nashville 201 Facilities Planning Area, Volume IV, Whites Creek Sub-planning Area as prepared and recommended by Barge, Waggoner, Sumner and Cannon.
