

**Resolution 1992-04**

The next matter was consideration of proposed Resolution 92-04 authorizing retirement credit for Persian Gulf military service. Mrs. Coode noted that this would involve no additional expense to the City, but would allow the period of time spent in active duty and off the City's payroll to be included in total years of service for retirement purposes. A motion was made and duly seconded to approve proposed Resolution 92-04. Upon vote, it was unanimously approved.
