NEWSLETTER TO RESIDENTS OF BELLE MEADE MAY 2022

BELLE MEADE BLVD. MEDIAN PATHWAY DEMONSTRATION PROJECT CREATING A SAFE PLACE FOR PEDESTRIANS

Belle Meade's Public Works Department has installed an example of a pathway in the center of the Belle Meade Boulevard medians. This temporary demonstration project on two medians at the north end of the Boulevard will allow citizens to experience walking in an area specifically designed for pedestrians to be separated from roadway traffic. The City will also install signage and landscaping as shown in the Master Plan that could be used with future permanent sidewalks and pathways. We encourage citizen feedback on the demonstration project. Representatives from the City and the Civic Design Center will have a table at the St. George's Farmers Market on Thursday, May 12th as well as a spot on the pathway that day for additional information and an opportunity for residents to give their comments. There will be other exhibits/renderings which show paths in other settings as well as a description of the demonstration project with a QR code that links to a short survey on the City website.

The City also plans to install a similar demonstration project on the last median next to the entrance of Warner Park in late May. The Belle Meade Together Master Plan document highlights examples of sidewalks and multi-use trails and pathways. Click [HERE](#) to access the Plan documents, specifically pages 10 and 11 in the Strategy Toolkit section.

NATIONAL PUBLIC WORKS WEEK – MAY 15-21, 2022

Thank you to the men who keep this City in great shape, day after day and year after year! Director Larry Smith, Assistant Director Nathan McVay and Collections Operator Dylan Hood work tirelessly and provide vital services to ensure the City is always functioning, and are ready at any given time to respond to emergencies and natural disasters. When weather brings snow and ice, or storms roll

Dylan Hood

Larry Smith

Nathan McVay

through Belle Meade and trees fall and block roadways, the crew is out, day or night, to make sure debris is removed so residents can go about their day to day business with little or no interruption. They respond to all sewer grinder pump “red light” calls as quickly as they can, reducing any downtime for the homeowners. They supervise and assist the many contractors who provide essential services to the residents. Larry, Nathan and Dylan bring an attitude of readiness and willingness, prepared to respond to whatever the day will bring. We thank them for all they do to improve the quality of life for the Belle Meade residents!

FROM THE POLICE DEPARTMENT – CHIEF CHUCK WILLIAMS

The Belle Meade Police Department is starting a peer support program in May 2022. This program will help officers in middle Tennessee that may be going through a difficult time and would like someone to talk to about their situation. Several middle Tennessee agencies will be partnering with us to provide multiple avenues for officers to reach out if they need help. Police suicides are a real issue that law enforcement is facing. Since 2017, 1,032 officers have taken their own life.

Officer David Read attended training in Evansville, IN, to help prepare him to be a peer supporter. Officer

Read (pictured) has been a police officer for more than forty years. There is not much he has not seen throughout his career. He volunteered to serve in this capacity, and I am grateful for his willingness to help his peers.

UPDATE ON THE EASTERN BLUEBIRD BOXES ON BELLE MEADE BOULEVARD

John Carreau of the Wood Thrush Shop, has been monitoring the four bluebird boxes placed on the median of Belle Meade Boulevard earlier this year. He inspected the boxes on April 25th, and was happy to report the following:

- Box 1, 5 bluebird babies about 2-3 days old.
- Box 2, 5 Bluebird eggs
- Box 3, a completed bluebird nest
- Box 4, 5 bluebird babies, about 2 days old

RECAP OF BOARD OF COMMISSIONERS' MEETINGS

The Commissioners took action on the following items at the meeting on , 2022:

- Haley Dale was elected as Vice-Mayor for the remainder of this term. After the November elections, the commissioners will elect a Mayor and Vice-Mayor for the next two-year term.
- Approved the purchase of a new pressure washer for the Public Works Dept. at the lowest of three estimates, from Parrish Equipment for \$4,500.00.
- A budget not to exceed \$6,000 was approved for the Belle Meade Boulevard Median Pathway Demonstration project to purchase materials for the pathway and rental of equipment for the installation.
- Approved the Interlocal Agreement with the City of Forest Hills to allow them to install their video security cameras in two Belle Meade camera boxes on utility poles located at Lynwood Blvd & Tyne Blvd., and Chickering Road & Chickering Lane. Forest Hills will share in the cost of electrical and wireless connectivity charges.
- Approved the following invoices over \$5,000:
 - o Certified Labs & Service, Inc. \$ 5,571.20
 - o Commonwealth Chemical Inc. \$ 24,900.00
 - o Straeffler Pump & Supply, Inc. \$ 12,840.00
 - o Sessions Paving Company \$101,483.00
- Approved the recommendation for executive search firm of Baker-Tilly at the all inclusive price of \$24,500.00.
- Approved on first reading Ordinance 2022-2, Amending Section 12-302(5) of the Belle Meade Code to Increase the Stormwater User Fee from \$7.47 per Equivalent Residential Unit (ERU) to \$22.41 per ERU, to be effective July 1, 2022.
- Approved Resolution 2022-05, Amending Resolution 2021-05 Establishing Amounts of Fees to be Charged for Permit Fees and Other Fees, specifically Historic Zoning Commission appeal fees and City Court online Traffic School fees.
