NEWSLETTER TO RESIDENTS OF BELLE MEADE DECEMBER 2022

The Commissioners and City Staff Wish Everyone A Joyous and Safe Holiday and a Happy New Year!

BELLE MEADE NOW STREAMING ALL BOARD MEETINGS

Never miss a City of Belle Meade board meeting again! The City has begun livestreaming and recording all board meetings. You can now watch and listen to all board meetings from anywhere on your phone, tablet or computer. If you are not able to watch the live session, you can tune in later, as all meetings will be recorded and accessible on the city website. A link to the livestream and recordings of each meeting will be posted on the homepage of the city website.

The November Board of Commissioners meeting was the first test of the new system, and it went very well, considering that, in addition to the regular business agenda, three newly elected Commissioners were sworn in, as well as the presentation to the City Manager. The Commissioners and staff feel this is an important step to making your city government more accessible and inclusive and hope that many citizens will take advantage of this new feature.

CITY MANAGER BETH REARDON HONORED

The City of Belle Meade honored longtime City Manager, Beth Reardon, at their regular Commission Meeting on November 16th by naming the meeting room in City Hall the “Beth Reardon Municipal Hall”. Reardon has been employed by the City of Belle Meade since 1990 and has served as City Manager for 27 years. Mayor Rusty Moore presented a bronze plaque to be placed in the municipal room and emphasized Reardon’s steadfast commitment to providing the city with continuity of management and support that has kept the city strong. Many employees, former officials and friends were present to congratulate her. Beth Reardon has announced her retirement and the city is in the process of hiring a new city manager.

FROM THE POLICE DEPARTMENT – CHIEF CHUCK WILLIAMS

The Police Department wishes all residents a safe and happy Holiday Season!

On Wednesday, November 16, 2022, the Belle Meade Police Department swore in our newest police officer. Chief Williams and Lt. Mangrum made Devarjaye "D.J." Daniel an honorary police officer. Devarjaye "D.J." Daniel is a 10-year-old boy battling terminal brain cancer and traveling across the country to be sworn into law enforcement agencies.

D.J. is from Pearland, Texas, and started his mission to be sworn in as an honorary police officer at 100 law enforcement agencies. He has superseded that goal and will break 1000 law enforcement agencies by the end of 2022.

D.J. was diagnosed with brain and spinal cancer at eight years old and has undergone at least ten brain surgeries. This amazing young man always dreamed of becoming a law enforcement officer one day, and he is now raising awareness about children battling cancer during his meetings with law enforcement agencies and the public. Theodis Daniel, DJ's father, explained that D.J. was given five months to live following his diagnosis. Mr. Daniel believes that D.J.'s meetings with law enforcement officers are why his son has lived past the five months he was initially given to live. D.J.'s doctors have also confirmed that these meetings have positively impacted D.J.'s health. This was a special day for

D.J., but even more special for the Belle Meade Police Department. Welcome to the team, D.J.!

BARKING AND LOOSE DOGS!

The City is experiencing an increase in complaints from residents about excessive noise from barking dogs and dogs running loose. When these complaints are reported to the City, a letter is sent to the dog owner, advising them of the City Codes addressing barking and/or loose dogs, and requesting their assistance in resolving the issue. Neither the names nor addresses of the complainant are revealed.

Another issue with loose dogs is that although many of them have a chip, there is no identification on their collar with their owner's information. This makes it very difficult to know where the dog came from so they can be quickly and safely returned to their owner. The Police Department purchased a chip reader, and subsequently found out that it can only read certain chips, as many of them are different and require specific readers.

If you are a dog owner, please be considerate of your neighbors, and do not leave your dogs out for long periods of time if they have a tendency to bark excessively at a neighbor or other dogs, and please have an ID tag or collar with owner contact information on the dog in case it does get loose.

RE: Belle Meade Employee Fund

Our employees are one of the greatest assets of our City of Belle Meade. They work diligently every day to keep the City safe and well maintained. These employees do not

receive bonuses of any kind except through the Employee Fund. This fund is managed as a separate account from other city funds and was established to enable residents to acknowledge appreciation for the diligent and consistent work of our loyal personnel throughout the year. The fund purchases gift certificates that are distributed equally among employees. The fund also

sponsors events during the year in which all employees participate. Also, floral arrangements and fruit baskets are provided when there is a new baby, an illness or death in the family. All contributions are permissible under the law and carry no weight with any particular employee or group of employees, and therefore, they are tax deductible.

There isn't a better way to give a heartfelt "thank you" to each of the incredible employees of our city. Previous years' responses have been overwhelming and the employees are truly appreciative of the generosity and support of the residents. We hope you will participate in this special holiday tradition. Mail or deliver a check made out to "Employee Fund" to Belle Meade City Hall, 4705 Harding Road, Nashville, TN 37205. Thanks to you in advance, and Happy Holidays to you and yours.

FROM THE PUBLIC WORKS DEPARTMENT

Each winter, the Public Works staff prepares for the possibility of snow and/or ice events. We have been fortunate in Middle Tennessee in that the past several years we have only experienced one or two snow events

each season. The City has a Snow and Ice Removal Policy and map posted on its website, under “Departments, Public Works, Streets”. Please take a moment to review this policy, <https://citybellemeade.org/wp-content/uploads/2017/06/snow-and-ice-removal-policy.pdf> The Policy states that the City will normally only plow or treat the primary streets and those streets with hills and curves, but depending on the weather conditions, Public Works staff may modify this approach to include more streets. If you have questions, please contact Larry Smith, lsmith@citybellemeade.org or Nathan McVay, nmcvay@citybellemeade.org
