# Message from the Chief

To the Mayor, Commissioners, City Manager, Citizens of Belle Meade, and the Employees of the Belle Meade Police Department:

Community policing remains a primary goal for our department. Belle Meade Police Department offers many services to its residents, such as the Child Passenger Safety Program, Neighborhood Watch, and the Prescription Drug Collection Program. We enjoy working with our community at various events. Our officers frequently visit children's birthday parties and are frequent patrons of local lemonade stands. In 2025, we hosted our first Belle Meade Safety Day at the Belle Meade Police Department, highlighting teen driver safety. Additionally, the Belle Meade Police Department, along with St George's Episcopal Church, hosted a blood drive through Blood Assurance, and 2025 was capped off by another great Holiday Parade.

Traffic safety remains a top priority for our agency as we work to address the significant increase in traffic in Belle Meade over the past few years. The 2021-2025 citation data reflects how seriously we take traffic safety. Additionally, we continue using speed indicator signs to deter speeding.

Our Public Safety Security System began in July 2018 and continues to be an asset for our police officers and detectives. We also use the system to search for persons involved in crime in Belle Meade, which benefits other agencies' investigations. In 2025, we upgraded all remaining locations with new cameras to replace end-of-life cameras in place since 2018.

In April 2025, the City of Belle Meade experienced drastic flooding. Belle Meade Police and Public Works, along with TDOT and NDOT, worked hard to ensure the safety of all motorists and homeowners. Officers blocked roads and, in some areas, went door to door to check on residents' welfare. I am proud of our officers' response to this dangerous event.

I am grateful to serve alongside dedicated officers and dispatchers. The city's administration is highly supportive and ensures our agency has the resources needed to operate effectively. It is an honor to serve the Belle Meade community.
